

BOWLS, BOWLS and more BOWLS

Hello from Jackson County. We are in forward motion for our Empty Bowls event. We are scheduled for early Sept. I will let you know the date when it is set. Hopefully we can have our community dinner again! That is our first choice and what we are working towards. If Covid gets a hold of us again we will do what we did the last two years. Bowls are auctioned off on line and hand delivered with cookies by our Mayor and other city officials and Peace House volunteers.

We need more bowls from our talented group! Jackson Co. is trying a raffle this year to hopefully promote interest and to try and let you know your contributions are valuable. Remember for every bowl you donate, your name will go in the raffle jar. At the event Elizabeth from Peace House will pick the recipient and I will notify you and arrange for your \$50 gift certificate to the ceramics supply place of your choice.

Please contact Polly at ancestralmud@gmail.com for contributions.
