

Agenda for Clayfolk general meeting
May 16, 2015

Announcement of the 2015 Ellice T. Johnston Scholarship winner (I hope)

1. Dissemination of information. If you want to know to how to get information sent to the membership or if you want to find where information that was sent out is, you can click on the Member quick link on the homepage.

2. Recruiting. I would like a volunteer or nomination to fill these positions
Library chair trainee (2 points), committee member (1 point)
Empty bowls Jackson chair (6 points)
Workshop Co-chairs (10 points)
Scholarship committee members (1 point)

Write your name next to the position/s you are interested in filling. If you are not attending the meeting, write your name and position on a piece of paper or in an email and send it to me. I will interview and the board will choose people for these positions

I would like each of you to nominate 2 people to be on the ballot for the members-at-large board positions. Please be one of them. I will contact everyone nominated to see if I can get them on the ballot.

3. We revisited how members indicate they want a hard copy of the newsletter and other membership information mailed to them. I hope to reduce the amount spent on mailing hard copies if I can get it figured out how to do it. Only some people want hard copies of the newsletter, membership directory, show application, and everyone's points. Everyone gets a hard copy of the October newsletter with a membership application, statements of the candidates and a ballot. Be sure and vote.

Everyone with an email address gets a digital copy of newsletters, membership directory, show application and member points via enews. In addition, all of these things are posted on our webpage.

4. Investigating changing the term limits for the board of directors.

Members-at-Large One year terms.

Treasurers.....Six year terms, alternating every 3 years

SecretaryThree year terms, alternating with treasurers and president.

President and Vice President 3 year terms

A diagram is posted on the webpage. Our vice-president is looking into how to go about changing the by-laws.

5. 40th Clayfolk Celebration and call for photos and anticdotes.

All publicity chairs: Meeting immediately following this meeting.
